Dear Fiona Jones

You must renew your waste carrier registration by 12 September 2020

You can renew online in a few minutes. It costs £105 and lasts for 3 years.

How to access your renewal online

You can either:

- enter the following url into your web browser
waste-carriers.herokuapp.com/renew/782gkd57bdjs84hf

or

- scan the QR code, by opening to the photo app on a smartphone, and directing the camera to the image on the right. The photo app should redirect you to the renewal

If you do not renew by 12 September 2020, you will need to create a new registration, which will instead cost £154.

Our call centre is running at limited capacity due to COVID-19. To avoid long hold times if you can, please renew online.
